

## **STATEMENT OF SUBSTANCE OF INTERVIEW**

Applicant would like to sincerely thank Examiner Saint Cyr and the Examiner's supervisor for conducting a telephone interview with Applicant's representative, Colin Barnitz, on 6/22/2009.

During the interview, the Examiner and Applicant's representative discussed distinctions between the claims and the cited documents, namely Kikinis, Ellis and O'Connor. Without commenting on the propriety of the rejections, and in the interest of expediting prosecution, Applicant's representative also proposed possible amendments.

The Examiner was receptive to the proposed amendments, and indicated that the §101 rejections appeared to be overcome by the proposed amendments, but also indicated that a new search would need to be conducted before any decision on patentability could be made. Applicant herein amends the claims consistent with the interview. Accordingly, Applicant submits that the pending claims are allowable over the cited documents of record for at least the reasons discussed during the interview.
